Dear Sir:

This Amendment is in response to the Office Action mailed on October 4, 2004. This Amendment was not earlier presented because it responds to the indication that new claims have been allowed or indicated to contain allowable subject matter. In order to expedite prosecution of the present application by having claims 5, 6, 8, 14, 15, 17-28 and 31-34 granted in a patent and in order to avoid the costs of filing an Appeal, the present Amendment is being presented. Note that claims 1-4, 7, 9-13, 16, 29 and 30 have been canceled and claims 8, 21, 23, 25 and 31 have been amended so as to be in independent form leaving only allowed claims 5, 6, 8, 14, 15, 17-28 and 31-34 and so the issues for Appeal have been reduced. In addition, it is not believed that the present Amendment will require a new search to be made on the part of the Examiner. Accordingly, please cancel claims 1-4, 7, 9-13, 16, 29 and 30 without prejudice and amend claims 8, 21, 23, 25 and 31 as follows:
